

Joint seminar – Medical and Biology Faculties of LMU Munich
Institute of Medical Psychology and Department of Microbiology

Circadian regulation of gene
expression in cyanobacteria,
in vivo and *in vitro*

Engineering expression of
natural products in
cyanobacteria

Prof. Susan Golden

Dept. of Molecular Biology

University of California at San Diego, USA

Prof. James Golden

Dept. of Molecular Biology

University of California at San Diego, USA

Tuesday, 29 April 2025, 5:15 pm

Lecture Hall B01.027

LMU Biocenter, Martinsried

Funded by
the European Union

European Research Council
Established by the European Commission

Funded by

DFG

Deutsche
Forschungsgemeinschaft
German Research Foundation
